

Encitech California Proposition 65 (PROP65) compliance statement

▪ Introduction:

Proposition 65 (Safe Drinking Water and Toxic Enforcement Act of 1986) is a Californian law that requires businesses to notify Californians about significant chemicals that cause cancer or birth defects or other reproductive harm. The law requires that no person doing business, knowingly and intentionally expose an individual to a chemical known to the state of California to cause cancer, birth defects, or reproductive toxicity without first giving a clear and reasonable warning. The Prop 65 list can be accessed at <http://www.oehha.ca.gov/prop65>.

▪ Compliance:

To the present and best of our knowledge, and based on the information available to us, some of Encitech Connector AB's products contain listed substances within Proposition 65. Although these chemicals are included in some of our products, there is no direct exposure, such as contact with skin, being consumed with food or drink, or inhalation in the normal or foreseeable use intended. Consequently, a warning label that our products comprise of chemicals that may cause birth defects, cancer, or reproductive harm is not required.
